do lost in-side your soul

do lost in-side your soul

do lost in-side your soul

go-ing right The trou- bles in your mind What do you do when you get lost in-side your soul Where do you go whe love is

The musical score consists of five systems. The first three systems are vocal lines, each with a treble clef and a key signature of two flats. The lyrics 'do lost in-side your soul' are written below each line. The fourth system is a piano accompaniment line with a treble clef, containing the lyrics 'go-ing right The trou- bles in your mind What do you do when you get lost in-side your soul Where do you go whe love is'. The fifth system is a piano accompaniment line with a bass clef, providing harmonic support for the vocal lines.
